TERAS Teknologi is awarded The Outstanding SMEs of Golden Bull Award 2008

TERAS Teknologi is one of the outstanding SMEs of Malaysia for 2008 as declared by Nanyang Siang Pau in its 6th annual business award that honors and recognizes the outstanding achievements of the best of SMEs (Small and Medium Enterprises) in Malaysia. The Award which is in association with Celcom (Malaysia) Berhad was presented at the Gala Award Presentation Ceremony held on the 31 October 2008 at Genting International Convention Centre by YAB Dato' Sri Hj Mohd Najib Tun Haji Abdul Razak, the Deputy Prime Minister and Minister of Finance.

The Outstanding SMEs of Golden Bull Award, was awarded to selected 100 SMEs that have fulfilled the required criteria audited by Ernst & Young among which are having annual sales turnover of RM5 million and above up to RM75 million or the maximum annual sales turnover of RM10 million for the service related sectors in the last three financial years. True to the award's principle of 'Leading by Excellence', the SMEs are also put through stringent assessment on their accomplished qualitative achievements deserving this special recognition as judged by the independent panel of industry leaders.

TERAS once again takes pride in this credit of excellence complementing the other awards it has won for 2008 and previous years and is optimistic to preserve its establishments in the coming years.
